

**MADONNA  
RESEARCH INSTITUTE**  
Rehabilitation Science and Engineering

## **JUDITH M. BURNFIELD, PhD, PT**

**Director, Institute for Rehabilitation Science and Engineering**

[jburnfield@madonna.org](mailto:jburnfield@madonna.org)

Director, Institute for Rehabilitation Science and Engineering

Director, Movement and Neurosciences Center of Excellence

Clifton Chair in Physical Therapy and Movement Science

**Phone:** 402.413.4505

**Office:**

Institute for Rehabilitation Science and Engineering Room 6009

**Mailing Address:**

Institute for Rehabilitation Science and Engineering  
Madonna Rehabilitation Hospital  
5401 South Street  
Lincoln, NE 68506

## **EDUCATION**

Ph.D. Biokinesiology (2003). University of Southern California, Los Angeles, CA

B.S. Physical Therapy (1986). State University of New York at Buffalo, Buffalo, NY

## **PATENTS**

Burnfield JM, Shu Y, Taylor AP, Buster TW, Nelson CA (2011). Rehabilitation and Exercise Machine. *U.S. Patent 8,007,405.*

Burnfield JM, Shu Y, Taylor AP, Buster TW, Nelson CA (2012). Rehabilitation and Exercise Machine.

U.S. Patent 8,177,688 B2.

Burnfield JM, Taylor AP, Buster TW, Nelson CA, Shu Y (2014). Improved Rehabilitation and Exercise Machine. *Canadian Patent 2,776,626*.

Nelson CA, Stolle CJ, Burnfield JM (2019). Biomechanical Foot Guidance Linkage. *U.S. Patent 10,252,100*.

Nelson CA, Stolle CJ, Burnfield JM, Buster TW, McCrory BJ (2020). Assistive Rehabilitation Elliptical System. *U.S. Patent 10,702,735*.

## BOOK

Perry J, Burnfield JM (2010). *Gait Analysis, Normal and Pathologic Function, 2nd Edition*. Slack: Thorofare, NJ.

## SELECTED ARTICLES AND BOOK CHAPTERS

Burnfield JM, Cesar GM, Buster TW (2021). Feasibility of motor-assisted elliptical to improve walking, fitness and balance following pediatric acquired brain injury: A case series. In press, *Journal of Pediatric Rehabilitation Medicine*.

Williams NA, Hatton-Bowers H, Kohel KL, Pillai S, Burnfield JM (2020). Informal caregivers' well-being at the transition to caregiving. *Rehabilitation Counseling Bulletin*, October 2020. DOI: 10.1177/0034355220962186.

Burnfield JM, Cesar GM, Buster TW (2020). Variations in plantar pressure variables across elliptical trainers in older adults. *Clinical Biomechanics*, 80(2020):105142. DOI: 10.1016/j.clinbiomech.2020.105142. PMID: 32791378.

Cesar GM, Buster TW, Burnfield JM (2020). Comparison of plantar pressure profile of young adults during training on elliptical devices and overground walking: A pilot study. *The Foot*, 45:101716. DOI: 10.1016/j.foot.2020.101716. PMID: 33039905.

Fallahtafti FF, Pfeifer CM, Buster TW, Burnfield JM (2020). Effect of motor-assisted elliptical training speed and body weight support on center of pressure movement variability. *Gait and Posture*, 81:138-143. DOI: 10.1016/j.gaitpost.2020.07.018. PMID: 32888552.

Fager SK, Burnfield JM, Pfeifer CM, Sorenson T (2020). Perceived importance of AAC messages to support communication in rehabilitation settings. *Disability and Rehabilitation: Assistive Technology*, 2020 Mar 6:1-6. DOI: 10.1080/17483107.2020.1736652. PMID: 32141784.

Cesar GM, Buster TW, Burnfield JM (2020). Cardiorespiratory fitness, balance and walking improvements in an adolescent with cerebral palsy (GMFCS II) and autism after motor-assisted elliptical training. *European Journal of Physiotherapy*, 22(3):124-132. DOI: 10.1080/21679169.2018.1536764.

Cesar GM, Buster TW, Burnfield JM (2019). Test-retest reliability and minimal detectable change of the computerized dynamic posturography PROPRIO for adults with chronic traumatic brain injury. *Disability and Rehabilitation*, 2019 Nov 14:107. DOI: 10.1080/09638288.2019.1688872. PMID: 31724889.

Williams NA, Burnfield JM, Springer P, Wolf K, Buster TW (2019). Therapeutic massage to enhance family caregivers' well-being in a rehabilitation hospital. *Complementary Therapies in Clinical Practice*, 35:361-367. DOI: <https://doi.org/10.1016/j.ctcp.2019.03.020>.

Williams NA, Burnfield JM (2019). Psychological difficulties and parental well-being in children with musculoskeletal problems in the 2011/2012 National Survey of Children's Health. *Rehabilitation Psychology*, 64(1):87-97. DOI: 10.1037/rep0000251.

Burnfield JM, Buster TW, Pfeifer CM, Irons SL, Cesar GM, Nelson CA (2019). Adapted motor-assisted elliptical for rehabilitation of children with physical disabilities. *ASME Journal of Medical Devices*, 13(1):011006. DOI: 10.1115/1.4041588.

Burnfield JM. Three Dimensional (3D) printing to advance rehabilitation care and outcomes. *Workers Compensation Summit*. Omaha, NE. April 18, 2019.

Burnfield JM. Impact of neurologic injuries and illnesses on gait, cardiorespiratory fitness, health and wellbeing. *2019 Madonna Locomotor Training Conference: Integrating Scientific Principles with Clinical Practice to Improve Function, Fitness, Health and Wellbeing for Individuals with Mobility Impairments*. Madonna Rehabilitation Hospitals. Lincoln, NE. April 5, 2019.

Burnfield JM. Locomotor approaches to gait and fitness recovery: Challenges and opportunities. *2019 Madonna Locomotor Training Conference: Integrating Scientific Principles with Clinical Practice to*

*Improve Function, Fitness, Health and Wellbeing for Individuals with Mobility Impairments.* Madonna Rehabilitation Hospitals. Lincoln, NE. April 5, 2019.

Burnfield JM. ICARE: An integrated approach for addressing gait, cardiorespiratory, balance and upper extremity rehabilitation goals. *Rancho Los Amigos National Rehabilitation Center.* Downey, CA. November 26, 2018.

Burnfield JM. ICARE motor-assisted elliptical training to improve walking, fitness, and wellbeing. *International Council on Active Aging (ICAA) Product Webinar.* November 6, 2018.

Burnfield JM. Invited Keynote: Foot and ankle rockers: Contributions to progression, shock absorption and stability during gait. *2018 Nederlandse Vereniging van Podotherapeuten Conference.* Congrescentrum NBC in Nieuwegein, Netherlands. September 21, 2018.

Burnfield JM. Progressive debilitating flat foot deformity: Diagnosis and management. *2018 Nederlandse Vereniging van Podotherapeuten Conference.* Congrescentrum NBC in Nieuwegein, Netherlands. September 21, 2018.

Burnfield JM. ICARE clinical use for walking, fitness, balance and arm rehabilitation: An integrated and affordable approach. *ExercisABILITIES Physical Therapy and Medical Fitness.* Rochester, MN. August 16, 2018.

Burnfield JM. ICARE: Customizing use for First Rehabilitation Hospital of Shanghai, China. *The First Rehabilitation Hospital of Shanghai, China.* April 21, 2018.

Burnfield JM. Robotic ICARE technology for walking, fitness, balance and arm rehabilitation: An integrated and affordable approach. *The 4<sup>th</sup> China Rehabilitation Forum (CRF2018).* Shanghai, China. April 20, 2018.

Burnfield JM. ICARE: A practical rehabilitation solution to address complex patient challenges. *Osceola Regional Medical Center - HCA.* Kissimmee, FL. January 24, 2018.

Burnfield JM. Improving walking and fitness following neurologic injury: Practical solutions to complex challenges. *2018 年中美康复医学与研究论坛 / 2018 Sino-US Rehabilitation Medicine and Research Symposium.* Shanghai, China. January 15, 2018.

Burnfield JM, Terryberry-Spohr L, Tran J. Affordable motor-assisted elliptical training to improve physical, cognitive, psychosocial and health outcomes across rehabilitation continuum. *Symposium 2016 American Congress of Rehabilitation Medicine (ACRM) 93rd Annual Conference: Progress in Rehabilitation Research.* Chicago, IL. November 2, 2016.

Burnfield JM, Fager SK. Translational research to advance rehabilitation care and outcomes for individuals with physical disabilities and chronic conditions. *Workers Comp Summit -- Madonna Rehabilitation Hospital.* Lincoln, NE. April 21, 2016.

Burnfield JM. ICARE: A tool for comprehensive and intensive gait and cardiovascular training. *Casa Colina Hospital and Centers for Healthcare.* Pomona, CA. September 18, 2015. Burnfield JM. Development and implementation of the ICARE for use in rehabilitation and fitness. *TIRR Memorial Hermann Rehabilitation and Research Center.* Houston, TX. May 11, 2015.

Goldman AJ, Burnfield JM. Stroke rehabilitation: Is it time to expand the stroke recovery window? *Nebraska Stroke Symposium*. Lincoln, NE. April 10, 2015.

Burnfield JM. Nebraska Athletic Performance Lab, UNL & Research Institute, Madonna Rehabilitation Hospital. *DOD Joint Biomechanical Modeling and Simulation Workshop*. Arlington, VA. August 28-29, 2014.

Burnfield JM. Health and wellness programming. *2014 Neurologic Physical Therapy Professional Education Consortium. University of Southern California Webinar Series*. Presented December, 2014; December, 2013; December, 2012; December, 2011.

McCrary B, Burnfield JM, Meza JL, Darragh AR, Irons SL. The impact of patient lifts on work injuries among physical rehabilitation therapists in Nebraska. *Public Health Association of Nebraska 2014 Annual Conference*. Grand Island, NE. October 8-9, 2014.

Burnfield JM. Normal and pathological gait: Fundamental concepts to improve patient outcomes. *Southeast Community College, Physical Therapist Assistant Program*. Lincoln, NE. October 22, 2013.

Burnfield JM. Development and implementation of the ICARE for use in rehabilitation and fitness. *Hospital Corporation of America*. Nashville, TN. October 14, 2013.

Burnfield JM. Desarrollo e implementación del ICARE para uso en rehabilitación y entrenamiento físico. *Instituto Nacional De Rehabilitación*. Lima, Perú. September 12, 2013.

Burnfield JM. Desarrollo e implementación del ICARE para uso en rehabilitación y entrenamiento físico. *TechnoSalud*. Lima, Peru. September 11, 2013.

Burnfield JM. Patient centered technology for physical rehabilitation: Engaging physical therapists to guide development (Invited Branch Lecturer for 2013). *Duke University School of Medicine, Department of Community and Family Medicine, Doctor of Physical Therapy Division*. Durham, NC. May 6, 2013.

Burnfield JM. ICARE training to improve walking and cardiovascular fitness for individuals living with physical disabilities and chronic conditions. *Quality Living Incorporated*. Omaha, NE. April 10, 2013.

Burnfield JM. Emerging technologies for physical rehabilitation across the continuum of care: Engaging the PT community to guide development. *Eastern District of the Nebraska Physical Therapy Association*. Lincoln, NE. November 29, 2012.

Burnfield JM. ICARE training to improve walking and cardiovascular fitness for individuals living with physical disabilities and chronic conditions. *Marionjoy Rehabilitation Hospital*. Wheaton, IL. April 24-25, 2012.

Burnfield JM. ICARE training to improve walking and cardiovascular fitness for individuals living with physical disabilities and chronic conditions. *Hospital for Special Care*. New Britain, CT. April 2-3, 2012.

Burnfield JM. Partial body weight supported treadmill training: Biomechanical risks and rewards. *Twelfth Annual Safe Patient Handling and Movement Conference*. Orlando, FL. March 31, 2012.

Burnfield JM. ICARE training to improve walking and cardiovascular fitness for individuals living with physical disabilities and chronic conditions. *JFK Johnson Rehabilitation Institute*. Edison, NJ. March 26-27, 2012.

Billinger S, Burnfield JM, Scheets P. Action potential: How and why to get involved with the Neurology Section! *Combined Sections Meeting of the American Physical Therapy Association*. Chicago, IL. February 10, 2012.

Burnfield JM. Observational gait analysis – Enhancing patient outcomes by focusing on the fundamentals. *Clinical Doctorate in Physical Therapy Program, Creighton University*. Omaha, NE. July, 2011; June, 2010; June, 2009; June, 2008; June, 2007 (two half-day seminars per year).

Burnfield JM. Developing affordable adaptations to increase access, safety and use of exercise equipment for individuals with physical disabilities and chronic conditions (1.5 hour short course). *Rehabilitation Engineering and Assistive Technology Society of North America's 2011 Annual Conference*. Toronto, Ontario, Canada. June 6, 2011.

Burnfield JM, Nordness A, Murtagh B. Rehabilitation of non-accidental traumatic brain injury in children. *Treatment and Rehabilitation of the Pediatric Trauma Patient, Fifth Annual Trauma Conference*. Omaha, NE. May 6, 2011.

Burnfield JM. Therapeutic management of gait dysfunction: Integrating observation, clinical evaluation, and biomechanical research to guide evidence-based practice [1 day workshop]. *Sponsored by School of Physical Therapy, University of the Incarnate Word, Central District, Texas Physical Therapy Association, and the Military Performance Lab, Center for the Intrepid – DOR – BAMC*. San Antonio, TX. April 16, 2011.

Burnfield JM. Enhancing walking and cardiovascular fitness following a brain injury: Evidenced-based approaches for use in the rehabilitation setting and community. *2011 Brain Injury Association of Kansas and Greater KC's Beyond Rehab: Succeeding at Life – A Conference of Brain Injury*. Overland Park, KS. March 31, 2011.

Burnfield JM. Partial body weight supported treadmill training: Biomechanical risks and rewards. *Eleventh Annual Safe Patient Handling and Movement Conference*. Lake Buena Vista, FL. March 30, 2011.

Burnfield JM. Therapeutic management of gait dysfunction: Integrating observation, clinical evaluation, and biomechanical research to guide evidence-based practice [2 day workshop]. *Husson University, Department of Physical Therapy and Maine Coast Memorial Hospital*. Bangor, Maine. March 19-20, 2011.

Burnfield JM, Salisbury M, Spellman C, Buster TW. Promoting optimal walking and community engagement in those living with multiple sclerosis. *Nebraska TREND Symposium 2011*. Lincoln, NE. March 12, 2011.

Burnfield JM. Rehabilitation of gait dysfunction: Integrating observation, clinical evaluation, and biomechanical research to guide evidence-based practice [1 day workshop]. *Wisconsin's West Central District Physical Therapy Association*. LaCrosse, WS. February 18, 2011.

Burnfield JM. Promoting safe and effective exercise, walking and transfer opportunities in individuals with limited mobility. *Physical Therapy Program, University of Wisconsin*. La Crosse, WS. February 17, 2011.

Burnfield JM. Therapeutic management of neurologic gait dysfunction: Integrating observation, clinical evaluation, and biomechanical research to guide evidence-based practice [workshop]. *2011 Combined Sections Meeting of the American Physical Therapy Association, Neurology Section*. New Orleans, LA. February 8-9, 2011.

Burnfield JM. Gait analysis: From research to reality, the enduring legacy of Dr. Jacquelin Perry. *2011 Hanger Education Fair*. Reno, NV. February 4, 2011.

Burnfield JM. Enhancing rehabilitation outcomes of individuals with an orthosis: Applying observational gait analysis. *Orthotics Specialists, Inc*. Phoenix AZ. November 5-6, 2010.

Burnfield JM, Combs S, Finley M (2010). The role of biomechanics in the management of upper and lower-extremity dysfunction: Emerging interventions for individuals with neurological involvement [2 hour short course]. *2010 Annual Combined Sections Meeting of the American Physical Therapy Association*. San Diego, CA. February 18, 2010.

Burnfield JM. ICARE: An affordable technology designed to promote walking and cardiovascular fitness during rehabilitation and following discharge. *8<sup>th</sup> Annual Medical Rehabilitation Providers Association Educational Conference*. New Orleans, LA. October 14, 2010.

Burnfield JM. Developing ICARE, an Intelligently Controlled Assistive Rehabilitation Elliptical training system to help individuals with physical disabilities and chronic conditions improve walking and cardiovascular fitness. *Entrepreneurial Management, College of Business Administration, University of Nebraska-Lincoln*. Lincoln, NE. September 16, 2010.

Burnfield JM. Development of the ICARE trainer to promote gait and cardiovascular fitness in individuals with physical disabilities. *Rancho Los Amigos National Rehabilitation Center*. Downey, CA. May 27, 2010.

Burnfield JM. Patient-centered rehabilitation research. *Capital City Kiwanis*. Lincoln, NE. May 18, 2010.

Burnfield JM. Rehabilitation of persons with lower extremity amputations: An emphasis on optimizing walking function. *VIII<sup>ème</sup> Journée Scientifique des Infirmières. Grace Children's Hospital and International Child Care*. Port-au-Prince, Haiti. April 27, 2010.

Burnfield JM. Ergonomics in health care: Biomechanical considerations. *Wisconsin Physical Therapy Association*. Green Bay, WS. April 15, 2010.

Burnfield JM. Biomechanical demands of transfer and gait activities: Promoting clinician safety and therapeutic patient outcomes. *Tenth Annual Safe Patient Handling and*

*Movement Conference*. Lake Buena Vista, FL. March 31, 2010.

Burnfield JM. Integrating biomechanics to guide management of upper and lower extremity dysfunction: Emerging interventions for individuals with neurological involvement [2 hour short course]. *2010 Annual Combined Sections Meeting of the American Physical Therapy Association*. San Diego, CA. February, 2010.
